

**OHIO - ICPC STATE OFFICE and COUNTY CONTACT LIST**  
Revised 12/01/2011

**NOTE: On June 1, 2009, the Ohio ICPC State Office decentralized the functions it performs at the state level on behalf of Ohio's public children services agencies. However, the decentralization does not affect the Ohio ICPC State Office's retention of the functions it currently performs for private agencies, courts, residential facilities and requests from parents for placements.**
